Dear Sir:

A check of 60 U. S. dollars is attached as an extend fee of one month  
for the adversary action.

The adversary office action dated at 06/23/2005 points out that the  
amendment of the specification must be performed by the pending  
specification, instead of the original specification. Thus the amendment of  
the specification is listed in the following which is based on the pending  
specification. For the same scope, we also resend a copy of drawings,
